Answer key

#	Answer	Why
1	b) It is freely given, without pressure, and can change	A real yes is freely given, and the person can change their mind at any time.
2	c) Guilt-tripping, a form of pressure	Turning love into something to prove is pressure, not respect.
3	b) Say you want to stop. You can change your mind	Consent is ongoing. Yes once does not mean yes forever.
4	c) "Okay. Thanks for telling me."	Listen, accept the answer, and move on respectfully.
5	b) False	Silence, flirting or not stopping you is not the same as a clear, free yes.
