Answer key

#	Answer	Why
1	b) Join, watch or upstand	An upstander does something safe that helps the person or reduces the harm.
2	b) Report quietly and support the person privately	You never have to put yourself in danger to help.
3	b) It can give it a bigger audience	Don't feed the algorithm. Report it and add something better instead.
4	b) Working to make harm less likely to happen again	For example, asking for a clear reporting route, or running a student campaign.
5	b) False	Sometimes you just need to be the first person who refuses to join in.
